Accounting Manual. The basic purpose of the Accounting Manual is to provide campus accounting officers with direction and guidance in connection with those accounting transactions, procedures, and reports that should be uniform throughout the University.

Accounting Manual | UCOP

Utility, value and transaction. In mental accounting theory, framing means that the way a person subjectively frames a transaction in their mind will determine the utility they receive or expect. This concept is similarly used in prospect theory, and many mental accounting theorists adopt that theory as the value function in their analysis. It is important to note that the value function is ...

Mental accounting - Wikipedia

Accounting or accountancy is the measurement, processing, and communication of financial information about economic entities such as businesses and corporations. The modern field was established by the Italian mathematician Luca Pacioli in 1494. Accounting, which has been called the "language of business", measures the results of an organization's economic activities and conveys this ...
