

cultural anthropology the human pdf

Anthropology is the study of humans and human behavior and societies in the past and present. Social anthropology and cultural anthropology study the norms and values of societies. Linguistic anthropology studies how language affects social life. Biological or physical anthropology studies the biological development of humans.. Archaeology, which studies past human cultures through ...

Anthropology - Wikipedia

Culture (/ ˈk ʌltʃ ɛːtər /) is the social behavior and norms found in human societies. Culture is considered a central concept in anthropology, encompassing the range of phenomena that are transmitted through social learning in human societies. Cultural universals are found in all human societies; these include expressive forms like art, music, dance, ritual, religion, and technologies like ...

SOCIAL ANTHROPOLOGY - University of Calicut

Anthropology offers the opportunity to study human existence in the present and the past and to explore how and why humans vary in their behaviors, cultures and biology.

Anthropology | Washington University in St. Louis

We provide integrative training, both in and out of the classroom, to prepare students to meet the challenges of our changing world. Our department encompasses all of anthropology's subfields: archaeology, bioanthropology, linguistic anthropology, and social-cultural anthropology. We offer a variety of undergraduate and graduate degree programs, including majors, minors, and certificates.
