First two tests this semester were good and last two test, he gave us article from some magazine and 10 questions. Im pissed, because I was reading all these chapters in the textbook for nothing!

Juan Morata at Miami Dade College (all

A flipped classroom is an instructional strategy and a type of blended learning that reverses the traditional learning environment by delivering instructional content, often online, outside of the classroom. It moves activities, including those that may have traditionally been considered homework, into the classroom. In a flipped classroom, students watch online lectures, collaborate in online ...
