AARP (formerly the American Association of Retired Persons) is a United States-based interest group whose stated mission is "to empower people to choose how they live as they age." According to the organization, it had more than 38 million members as of 2018. . AARP was founded in 1958 by Ethel Percy Andrus (a retired educator from California) and Leonard Davis (later the founder of the ...

A social class is a set of subjectively defined concepts in the social sciences and political theory centered on models of social stratification in which people are grouped into a set of hierarchical social categories, the most common being the upper, middle and lower classes. "Class" is a subject of analysis for sociologists, political scientists, anthropologists and social historians.

With the French Revolution began the institutionalization of secularized individualism in both social life and politics; individualism and rationality found expression in parliamentary government and written constitutionalism. Obviously, the English and American revolutions of 1688 and 1776 prefigure these changes, but it was the more universalist French
