The Environmental Protection Agency (EPA) is an independent agency of the United States federal government for environmental protection. President Richard Nixon proposed the establishment of EPA on July 9, 1970 and it began operation on December 2, 1970, after Nixon signed an executive order. The order establishing the EPA was ratified by committee hearings in the House and Senate.

History. In the United States, other than the military departments, the first Office of Inspector General (OIG) was established by act of Congress in 1976 under the Department of Health and Human Services, to fight waste, fraud and abuse in Medicare, Medicaid, and more than 100 other HHS programs. With approximately 1,600 employees, the OIG performs audits, investigations, and evaluations, to ...
