Although the genre is very old, the romance novel or romantic novel discussed in this article is the mass-market version. Novels of this type of genre fiction place their primary focus on the relationship and romantic love between two people, and must have an "emotionally satisfying and optimistic ending." There are many subgenres of the romance novel, including fantasy, historical romance ...

In BDSM, humiliation is one psychological technique a top may use on a bottom. It is generally considered edgeplay because it touches strong emotional buttons. The word humiliation comes from a Latin root meaning earth. To humiliate someone is to bring him or her down low to the ground.. Humiliation is a highly subjective issue, and depends greatly on context.
