Iron supplements, also known as iron salts and iron pills, are a number of iron formulations used to treat and prevent iron deficiency including iron deficiency anemia. For prevention they are only recommended in those with poor absorption, heavy menstrual periods, pregnancy, hemodialysis, or a diet low in iron. Prevention may also be used in low birth weight babies.

Iron supplement - Wikipedia

Goji, goji berry, or wolfberry, is the fruit of either *Lycium barbarum* or *Lycium chinense*, two closely related species of boxthorn in the nightshade family, Solanaceae.. Both species are native to Asia, and have been long used in traditional Asian cuisine. The fruits are similar but can be distinguished by small but significant differences in taste, sugar content, and content of the amino acid ...
