In the United States and Canada, redlining is the systematic denial of various services to residents of specific, often racially associated, neighborhoods or communities, either directly or through the selective raising of prices. While the best known examples of redlining have involved denial of financial services such as banking or insurance, other services such as health care or even ...

Neighborhood Notes makes it easy for neighbors to stay informed about what's going on in our city, in our neighborhoods, on our blocks. The site connects people with resources (like civic information, local businesses and organizations, community events), and provide them with the tools to make proactive choices within our city.
