The nude figure is a tradition in Western art, and has been used to express ideals of male and female beauty and other human qualities. It was a central preoccupation of Ancient Greek art, and after a semi-dormant period in the Middle Ages returned to a central position in Western art with the Renaissance. Athletes, dancers, and warriors are depicted to express human energy and life, and nudes ...

Depictions of nudity include visual representations of nudity through the history, in all the disciplines, including the arts and sciences. Nudity is restricted in most societies, but some depiction of nudity may serve a recognized social function. Clothing also serves as a significant part of interpersonal communication, and the lack of clothing needs to have a social context.
