Spy fiction, a genre of literature involving espionage as an important context or plot device, emerged in the early twentieth century, inspired by rivalries and intrigues between the major powers, and the establishment of modern intelligence agencies. It was given new impetus by the development of fascism and communism in the lead-up to World War II, continued to develop during the Cold War ...

This page presents some of Amis's most illuminating interviews. Because they routinely inspire additional public appearances or commentary, users should consult the Commentary page for related links.. As a general rule, if Amis is being interviewed one-on-one, whether on television or in print, then the item will be listed on this page. Group discussions will appear on the Commentary page.

Historical fiction is a literary genre in which the plot takes place in a setting located in the past. Although the term is commonly used as a synonym for the historical novel, it can also be applied to other types of narrative, including theatre, opera, cinema and television, as well as video games and graphic novels.. An essential element of historical fiction is that it is set in the past ...
