industrial design as an opportunity to expand on the product development process and focus heavily on the front-end of product development; more specifically marketing and new product feasibility.

FINAL-Caston New Product Development and Feasibility

Introduction: South Carolina (SC) ranks 10th in opioid prescriptions per capita—33% higher than the national average. SC is also home to a large military and veteran population, and prescription opioid use for chronic pain is alarmingly common among veterans, especially those returning from Afghanistan and Iraq. This article describes the background and development of an academic detailing ...

High-speed rail in Australia has been under investigation since the early 1980s. Every Federal Government since this time has investigated the feasibility of constructing high speed rail, but to date nothing has ever gone beyond the detailed planning stage. The most commonly suggested route is between Australia's two largest cities, Sydney and Melbourne, which is the world's second busiest air ...
