

fertility and fate a pdf

A fertility deity is a god or goddess associated with fertility, pregnancy, and childbirth. In some cases these deities are directly associated with these experiences; in others they are more abstract symbols. Fertility rites may accompany their worship. The following is a list of fertility deities.

The Fates were a common motif in European polytheism, most frequently represented as a group of three mythological goddesses (although their number differed in certain eras and cultures). They were often depicted as weavers of a tapestry on a loom, with the tapestry dictating the destinies of men. The primary instances include: Moirai, the Fates of Greek mythology who control the Threads of Fate
