I once read that Benjamin Franklin's autobiography is widely considered to be the best autobiography ever written. I have not read all the autobiographies ever written, but I can say confidently -- nay, *enthusiastically* -- that his is by FAR the best of those that I have read. In my opinion, it is one of the best books of any kind ever written.

Benjamin Franklin's Autobiography is both an important historical document and Franklin's major literary work. It was not only the first autobiography to achieve widespread popularity, but after two hundred years remains one of the most enduringly popular examples of the genre ever written. As such, it provides not only the story of Franklin's own remarkably influential career, but maps out ...
