A goblin is a monstrous creature from European folklore, first attested in stories from the Middle Ages. They are ascribed various and conflicting abilities, temperaments and appearances depending on the story and country of origin. They are almost always small and grotesque, mischievous or outright malicious, and greedy, especially for gold and jewelry.

A palace is a grand residence, especially a royal residence, or the home of a head of state or some other high-ranking dignitary, such as a bishop or archbishop.. The word is derived from the Latin name Palā•tium, for Palatine Hill in Rome which housed the Imperial residences. In many parts of Europe, the term is also applied to ambitious private mansions of the aristocracy.
