Whether you are reading your favorite author or getting to know a new author nothing is more important than reading order. You will spoil the story and your own enjoyment if you read a series in the wrong order and you will miss the development of an author's writing if you read their books in a helter-skelter fashion.

### **Indie Author Chris Nuttall Says All but Biggest Authors**

I have read most of Christopher Nuttall's books at this point and I must say that he is a highly engaging and entertaining author. As a personal comparison I think that his 'schooled in magic' series is far superior to Harry Potter and more people need to read his books.
