reconstructing political theory | Download eBook pdf, epub

The purpose of the volume is both to reexamine traditional political concepts and to do further analysis of concepts that feminism has introduced as political. Both tasks are crucial to "reshaping political theory in a direction that is more fully responsive to women's interests, concerns and problems" (1997, xi).

Project MUSE - Reconstructing Political Theory: Feminist

Feminism, as a field of study which undoubtedly moves between women's macro and micro daily life, revives the art of dialogue so as to function in the process of the construction and deconstruction of knowledge.

Introduction to Feminist Political Theories

Description : *Feminist Perspectives on Politics* considers how feminist perspectives have considerably broadened the scope of what is considered 'political'. Themes and issues covered range from nineteenth century debates around women's equality and liberation, to twentieth century arguments and activities towards gaining a more nuanced understanding of women's differences and diversity.

In this volume, a companion to *Feminist Interpretations and Political Theory* (Penn State, 1991) edited by Mary Lyndon Shanley and Carole Pateman, leading feminist theorists rethink the traditional concepts of political theory and expand the range of problems and concerns regarded as central to the analysis of political life. Written by well-known scholars in philosophy, political science, sociology, and law, the book provides a rich interdisciplinary account of key issues in political thought.

Reconstructing Political Theory: Feminist Perspectives

Feminist political philosophy is an area of philosophy that is in part focused on understanding and critiquing the way political philosophy is usually construedâ€”often without any attention to feminist concernsâ€”and on articulating how political theory might be reconstructed in a way that advances feminist concerns.
