Rescher on Rationality, Values, and Social Responsibility

Apart from these needed but rather straightforward elements, the volume summarizes Rescher's achievements on rationality, values and responsibility from the very beginning of his career. In the following review I limit my critical observations to one issue only, the concept of person.

Rescher on Rationality, Values, and Social Responsibility

Rescher has written on a wide range of topics, including logic, epistemology, the philosophy of science, metaphysics, and the philosophy of value. He is best known as an advocate of pragmatism and, more recently, of process philosophy .
