intergenerational transmission of economic status, and taxation. We will briefly talk about the historical evolution of income and wealth inequality, as well as about international inequality; mostly, however, we will focus on mechanisms affecting the distribution of incomes in the United States.

### **Empirical research on economic inequality Lecture notes**

Empirical Research on Economic Inequality This textbook developed out of a class I taught at Harvard, and subsequently at IHS Wien and at the University of Zurich. The purpose of this textbook is twofold. First, to teach you about economic inequality, some of its causes, and how it is affected by policy.
