Soul Skin: 1000 Lifetimes, 1000 Sacred Dream Journeys By

The Iroquis (Huron and Seneca) regarded dreams as the true language of the soul, more reliable and significant than the language of the waking state. They believed that through dreams the hidden side of the mind could manifest its wishes. If those wishes were not met, that part would create problems.

Sacred Dreaming - Provisional Institute of Astroshamanism

"Dreams are Sacred" is a science fiction short story by British writer Peter Phillips. It was first published in the American magazine *Astounding Science Fiction* in September 1948. It is an early example of what later came to be called a "virtual reality" story, in which one person enters a dream or hallucination that is being experienced by another.
