Supplementary material for See What You Think

When you look in a mirror, you see your reflection. You don't see your physical body directly, rather you see a reflected image of your body. Even more than seeing the reflection of your body, you see you, who you are " at least, who you think you are. And it is who you think you are that matters the most.

Who Do You Think You See? - johnmccarthy.com

You cannot travel within and stand still without. A man is literally what he thinks, his character being the complete sum of all his thoughts. Men are anxious to improve their circumstances, but are unwilling to improve themselves, they therefore remain bound.

FREE eBook "As You Think" | Mind Motivations

By separating the two questions, What do you see? and What do you think about what you see?, the routine helps students distinguish between observations and interpretations. By encouraging students to wonder and ask questions, the routine stimulates curiosity and helps students reach for new connections.
