Well Child Check: 6 year visit questionnaire

Six years is the age gap between hero and heroine and six years was the duration of time that they were separated. So fast forward to six years later, Nolan is back in his hometown and reconnects with his childhood friend, Brooklyn and this time he finally sees and wants the only pe ARC provided by author in exchange for an honest review

Six Years by Stephanie Witter - Goodreads

Middle childhood brings many changes in a child's life. By this time, children can dress themselves, catch a ball more easily using only their hands, and tie their shoes. Having independence from family becomes more important now. Events such as starting school bring children this age into regular contact with the larger world.
