Skin in the Game Summary - Nassim Nicholas Taleb | PDF

We believe Skin in the game is the heuristics of a safe and just society. Opposed to this is the unethical practice of taking all the praise and benefits of good fortune whilst disassociating oneself from the results of bad luck or miscalculation.

Skin in the Game xiv In some ways, the linkage between partner capability-building and special operations forces (SOF) is unfortunate. Today, many U.S. partner capability-building efforts are included in irregular warfare resourcing programs. However, most current U.S. programs are conducted not by SOF, but rather by conventional forces.
