### **Twelfth Edition Sociology - Pearson School**

Essentials of Sociology: A Down-to-Earth Approach stresses how profoundly our society and the groups to which we belong influence us. Social class, for example, sets us on a particular path in life. For some, the path leads to more education, more interesting jobs, higher income, and better health, but for others it leads to dropping out of school, dead-end jobs, poverty, and even a higher risk of illness and disease.

A down-to-earth approach to sociology Essentials of Sociology: A Down-to-Earth Approach highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, author James Henslin stimulates students' sociological imaginations so they can better perceive how the pieces of society fit together.

## **Essentials of Sociology (12th Edition) PDF - bookslibland.net**

The sociological perspective stresses the social contexts in which people live. It examines how these contexts influence people's lives. At the center of the sociological perspective is the question of how groups influence people, especially how people are influenced by their society—a group of people who share a culture and a territory.
